08/2024 – 05/2025

EXPERIENCE

Mathematics Tutor

Cumberland University | Lebanon, TN

- Tutored 50+ undergraduate students in College Algebra, improving understanding, confidence, and pass rates through personalized instruction.
- Assisted students with assignments, test preparation, and problem-solving strategies in one-on-one and group sessions.
- Broke down difficult math problems into simple, actionable steps to help students clearly understand the material.

08/2024 – 05/2025

Cybersecurity Intern

ISH Tecnologia | Vila Velha, ES

- Engineered custom log parsers and automated ingestion processes for 120+ clients, streamlining monitoring for 180+ clients and reducing false positives.
- Orchestrated incident response workflows using D3 SOAR and Securonix, increasing SOC triage efficiency by 200% through task automation.
- Collaborated with L2/L3 analysts and contributed to "Harpia SIEM" development by identifying bugs, suggesting improvements, and resolving log visibility issues.

01/2024 – 07/2024
